Prospectus for B.Ed Special Education H.I for 2025 - 2027

SSM Institute of Disability Studies & Rehabilitation Sciences is a unit of Spastic Society of Manipur which is recognised by Rehabilitation Council of India (RCI), Ministry of Social Justice & Empowerment, Govt. of India and is affiliated to Manipur University. Spastic Society of Manipur is a Composite Centre for Empowerment of PwD. It is also a centre for Education and Rehabilitation of Children with Disabilities.

The Society is running Early Intervention Services, Special School, Vocational Training & Skill Development, Awareness Programmes, Community Based Rehabilitation for PwDs, OPD Services, Home Management Programmes and Sports & Recreational Activities for the Persons with Disabilities.

The Society has received the National Award for Empowerment of Persons with Disabilities for Best Institution in 2008 . The Society has functioned as Extension Centre of (NIEPMD) National Institute for Empowerment of Persons with Multiple Disabilities, SNAC of National Trust, Implementing Agency of National Programme for Prevention and Control of Deafness (NPPCD) and State Resource Centre for Hearing Impairment and Locomotor Disabilities under NPRPD.

Objectives of the Course:

The B.Ed.Spl.Ed. programme aims to develop Special Education Teachers/Educators for Children with Disabilities for various settings (including Inclusive, Special, Open School and Home Based Education). The B.Ed. (Special Education) programme will prepare human resources to enable them to acquire knowledge and develop competencies and skills to impart education and training effectively to Children with Disabilities as well as all other children and this being teachers for all children. After completing the B.Ed. (Special Education) programme the student-teachers will :

- a. Acquire knowledge & skills about human development, contemporary Indian education, and pedagogy of various school subjects and assessment for learning.
- b. Acquire knowledge & skills about nature and educational needs of Children with Disabilities as well as of few select specific disabilities.
- c. Develop conceptual understanding of educational provisions and skills for working with children with various disabilities in Special and inclusive settings.
- d. Enhance knowledge and skills for professional development.
